§ 3555.5

related facilities. The SFHGLP offers applicants without sufficient resources to provide the necessary housing on their own account, and unable to secure the credit necessary for such housing from other sources upon terms and conditions, which the applicant can reasonably be expected to fulfill without the guarantee, an opportunity to acquire, build, rehabilitate, improve, or relocate dwellings in rural areas.

(b) *Demonstration programs.* Rural Development may authorize limited demonstration programs as allowed by law. The objective of these demonstration programs will be to test new approaches to offering housing under the statutory authority granted to the Secretary. Therefore, such demonstration programs may not be consistent with all of the provisions contained in this part. However, any statutory SFHGLP requirements will remain in effect.

§ 3555.3 Civil rights.

Rural Development, lenders, and their agents must administer the program fairly, and in accordance with both the letter and the spirit of all equal opportunity, equal credit opportunity and fair housing legislation, and applicable executive orders. Loan guarantees, services, and benefits provided under this part shall not be denied to any person based on race, color, national origin, sex, religion, marital status, familial status, age (provided the applicant has the capacity to enter into a binding contract), handicap, receipt of income from public assistance, sexual orientation, or because the applicant has, in good faith, exercised any right under the Consumer Credit Protection Act (15 U.S.C. 1601 *et seq.*). All activities under this part shall be accomplished in accordance with the Fair Housing Act (42 U.S.C. 3601–3620), the Equal Credit Opportunity Act (15 U.S.C. 1691), and Executive Order 11063 as amended by Executive Order 12259, as applicable. Rural Development's civil rights compliance requirements are provided in 7 CFR part 1901, subpart E.

§ 3555.4 Mediation and appeals.

Whenever Rural Development makes a decision that will adversely affect a participant, the participant may proceed with alternative dispute resolution including mediation and a USDA National Appeals Division hearing in accordance with 7 CFR parts 1 and 11. The participant also may request an informal review of the adverse decision made by Rural Development. Except when the adverse decision applies to a loss claim, the applicant or borrower and the lender may participate in the appeal process. Adverse decisions made by the lender cannot be appealed unless concurrence by Rural Development was required by this subpart and obtained by the lender.

§ 3555.5 Environmental requirements.

(a) *Policy.* Rural Development will consider environmental quality, economic, social, and other relevant factors in program development and decision-making processes. Rural Development will take into account potential environmental impacts of proposed projects by working with applicants, other Federal agencies, American Indian tribes, State and local governments, and interested citizens and organizations in order to formulate actions that advance the program's goals in a manner that will protect environmental quality.

(b) *Regulatory references.* Loan processing and servicing actions under this part will be completed in accordance with the requirements of part 1940, subpart G of this title and part 1924, subpart A of this title, which addresses lead-based paint requirements; and any other Agency regulations addressing environmental requirements for the SFHGLP.

(c) *Agency responsibilities.* Rural Development is responsible for compliance with all applicable environmental regulations and statutes.

(d) *Lender and loan applicant responsibilities.* (1) Lenders must use due diligence in regard to potential environmental hazards to ensure the property is decent, safe and sanitary and of sufficient value to adequately secure the loan. The level of due diligence review to determine potential environmental hazards must be equivalent to the

§ 3555.6

standards established by Fannie Mae, Freddie Mac, FHA, or the VA.

(2) Mortgage loan transactions will be subject to the requirements of the 1994 National Flood Insurance Reform Act to determine if the dwelling is located in a Special Flood Hazard Area (SFHA).

(3) On an as needed basis, lenders and loan applicants will assist Rural Development in obtaining such information as Rural Development needs to complete its environmental review and to cooperate in the resolution of environmental problems.

(4) Lenders will become familiar with Agency environmental requirements, so they can advise applicants and reduce the probability of unacceptable applications being submitted to Rural Development.

(5) The lender must comply with Federally mandated flood insurance purchase requirements. Existing dwellings in a SFHA are not eligible under the SFHGLP unless flood insurance through the FEMA National Flood Insurance Program (NFIP) is available. The lender will require the borrower to obtain, and maintain for the term of the mortgage, flood insurance for any property located in a SFHA, listing the lender as a loss payee.

(6) The borrower must obtain, and continuously maintain for the life of the mortgage, flood insurance on the security property in an amount sufficient to protect the property securing the guaranteed loan. Flood insurance policies must be issued under the NFIP, or by a licensed property and casualty insurance company authorized to participate in NFIP's "Write Your Own" program.

(7) Rural Development, will not guarantee loans for new or proposed homes in an SFHA unless the lender obtains a Letter of Map Amendment (LOMA) that removes the property from the SFHA or Letter of Map Revision (LOMR) that removes the property from the SFHA or obtains a FEMA elevation certificate that shows that the lowest habitable floor (including basement) of the dwelling and all related building improvements is built at or above the 100 year flood plain elevation in compliance with the NFIP.

7 CFR Ch. XXXV (1-1-15 Edition)

§ 3555.6 State and local law.

Lenders will comply with applicable State and local laws and regulations, including the laws of American Indian tribes. Supplemental guidance will be issued in the case of any conflict with or significant differences from provisions of this part.

§ 3555.7 Exception authority.

The Administrator of the Agency, or a designee, may make an exception to any requirement or provision of this part, when the Administrator, or designee, determines that application of the requirement or failure to take action would adversely affect the Government's interest. Any exception must be consistent with the authorizing statute and other applicable laws.

§ 3555.8 Conflict of interest.

(a) *Applicant or borrower responsibility.* The applicant or borrower must disclose to the lender any prohibited relationship or association with any Rural Development employee, and the lender must disclose that information to Rural Development.
